### **Invitation to the open meeting of the UBC – Youthful Cities Commission in Rostock 8-11 of October 2018**

Dear members of the UBC network,

On behalf of the City of Rostock it is my great pleasure to invite you to the open meeting of the UBC Youthful Cities Commission in Rostock, Germany, 8-11 of October 2018.

Celebrating the 800 anniversary of Rostock this year we are delighted to welcome you to this meeting in this special year.

The main topic of the meeting is “European youth work” including workshops and discussions on a “European charter on youth work” and a “European competence model for youth work”.

For a prospering city an attractive and successful youth work should always be an important issue. So we are looking forward to the outcome of the meeting expecting new impulses and ideas from the young people.

Being an active member of the UBC Youthful Cities Commission ourselves, we are convinced that this meeting will create space for the exchange of knowledge on this topic and foster further cooperation among the UBC cities.

A detailed programme of the meeting and practicalities will be disseminated shortly by the organizers.

Welcome to Rostock!

Roland Methling
