

Best practices to fight school segregation

Webinar on the 30.11.2022, 13.00 – 14.30 (Eastern European Time)

The UBC Learning Cities Commission warmly welcomes you to join the second webinar of this Autumn. The webinar will be organized on the 30th of November, 13.00-14.30 EET.

In this webinar, Emil Kustnetsoff, project manager for the Reduction of school segregation in Turku -project, will give us a presentation that takes a hard look at school segregation and the measures and models being used to fight against it. We will also be hearing best practices from teachers Anna Listewnik and Agnieszka Malinowska from Poland, who will address the topic of segregation from the view point of international projects and the best practices in learning.

After the presentations the attendants will be divided in to break out rooms for discussions. The webinar is organized in Microsoft Teams and will accommodate 30 first attendees. Please register [via this link](#). The registration closes on 29th of November 12.00 EET. The meeting link will be send to participants on the same day.
