Jūrmala is the largest resort city in the Baltic I States, well-known for its natural treasures - mild climate, sea, healthy air, curative mud and mineral waters. The charm lives in its almost 33 km long white sand beaches, the vast pine forests and the natural border of the city - the Lielupe River. People come here to recover or strengthen their health enjoying the healing effect of mud bathing and mineral waters. Every season here brings plenty of events for everyone - art exhibitions, local and international events and concerts. Jūrmala is the city on the wave - on the wave of change and success.

Ustka is a seaside resort located on a Middle Coast characterized by unique, picturesque landscapes by the mouth of the Słupia river-150 km west away from voivodship capital city-Gdańsk and 18 km north away from Słupsk. Beautiful sandy beaches, clear water, a great number of sunny days per year and many summer events make Ustka a popular spa for both health & leisure as well as holiday destination. Maritime air with lots of iodine and a scent with a pine aroma and also rich deposit of brine and therapeutic mud are natural merits of our town. Thanks to therapeutic properties of the climate, Ustka possesses a status of a health-resort. Ustka resort is well known for the highest standards of management and care.
