NOMINATION FOR THE PRESIDENT OF UBC

Dear colleagues,

I am happy to nominate Mr. Mantas Jurgutis, Vice-Mayor of Kaunas City, as a candidate to the post of the President of UBC for the period 2019–2021.

Mantas Jurgutis is a competent, energetic and goal-oriented person. He has initiated a number of local and international projects and has always taken an active part in many activities of different spheres. I know him as an innovative, positive and creative member of our team with sharp analysis skills and a strong intuition. Let me also assure you that other Lithuanian cities also support Mantas Jurgutis as candidate for the President of the UBC.

We see the UBC as a key network of cities in the Baltic Sea region, and do our best to enhance close cooperation of all cities in order to implement the strategy and policy of the UBC.

Sincerely,

Mayor of Kaunas City
