City of Turku

Turku, 6.8.2019

Mr Per Boedker Andersen  
President, Union of the Baltic Cities

to the General Secretary of Union of the Baltic Cities

Esteemed President Andersen,

The General Conference in Kaunas is approaching and so are the elections of the leadership for the coming two-year period 2019-2021.

On behalf of the City of Turku, I have the pleasure to nominate P.Hd. Elina Rantanen, Turku City Council Chair, as a candidate to the post of Vice-President of UBC for the period 2019-2021.

Turku is a founding member of the UBC. Our city has actively participated in the work of the UBC and we are keen to do so in the future too. We see UBC as our key city network in the Baltic Sea Region and will do our best to promote it – and thus the interests of member cities and their inhabitants – through enhanced implementation of our Strategy and policy decisions.

Looking forward to continued close cooperation between the UBC and the City of Turku.

Yours sincerely

Minna Arve  
Mayor, City of Turku
